

PARTNERING WITH ZEBRA TECHNOLOGIES:

Zebra Technologies is a leading global provider of rugged and reliable specialty printing solutions, including on-demand thermal bar code label and receipt printers and supplies, plastic card printers, RFID smart label printer/ encoders, certified smart media, and digital photo printers.

With the most recognized brand in the automatic identification industry and the most complete product line, Zebra solutions are used by more than 90 percent of Fortune 500 and global 2000 companies to improve business processes, increase productivity, and strengthen security.

Ryzex is proud to partner with Zebra Technologies to offer our customers the best technology solutions and data collection services for their business.

Ryzex offers media products such as labels, ribbons, and tags for all brands of barcode printers. Plus, we sell them in a variety of sizes so you can keep up with your specific inventory needs. The media products available from Ryzex consist of:

- Take-from-stock supplies
- RFID tags for all uses
- Custom solutions and graphics
- Unique application requirements

Because we have years of experience with a wide variety of manufacturers and equipment types, Ryzex can recognize which media solution is the best fit for your application. We know what works, right down to the ink and adhesive qualities in real-world working conditions. We'll determine a custom solution that will deliver optimum print quality and scannability.

ADVANTAGES OF RYZEX MEDIA SUPPLIES

Where you purchase your media supplies can make a big difference in your operation's performance, as well as your customer service experience. Why buy products from multiple vendors when Ryzex knows the printers you use – and how they affect the media you choose?

With Ryzex, you will:

- Know your labels will maintain their integrity over time
- Obtain first time read rates of 99% from your labels
- Receive fast, prompt delivery of your supplies
- Be able to take advantage of a free printhead replacement program
- Work with a representative who becomes a virtual part of your data collection support team
- Team up with a partner that can support all of your data collection needs, not just some of them

WHEN YOU NEED MORE THAN MEDIA SUPPLIES

With our FullUse[®] suite of data collection services, you can do more than simply stock up on media supplies – you can also buy label printers and other equipment.

You can repair malfunctioning devices. You can even recycle those items for which you no longer have use. Ryzex is passionate about bringing you the solutions you need to get the most out of your technologies. That's why we provide true multi-vendor, multi-generation support for all your barcode, data collection, RFID, POS, and wireless equipment.

For more information on media solutions, or for a professional evaluation and product recommendations from Ryzex, call us today at 800.999.2995.

Your single-source solution for data collection services is also the only call you have to make for all your media supplies.
