

>> Maximizing the Lifetime Value of Mobile Technology

Ryzex is a leading provider of worldwide barcode, RFID, data collection and mobile technology solutions. We advise and implement the best solution for our customers' needs, ensure that solution is always running for maximum uptime and provide actionable data for business insight.

UNIQUE ADVANTAGES OF WORKING WITH RYZEX

TRUSTED ADVICE AND FLAWLESS IMPLEMENTATION

Ryzex can advise on and implement the best solutions for your specific environment.

- Solution consultation to identify and verify optimal products and services.
- Hardware, accessories and application acquisition at the lowest total cost.
- Deployment and integration services for flawless implementation.

LIFECYCLE SERVICES FOR MAXIMUM UPTIME

Ryzex ensures our customers' mobile technology system is always up and running.

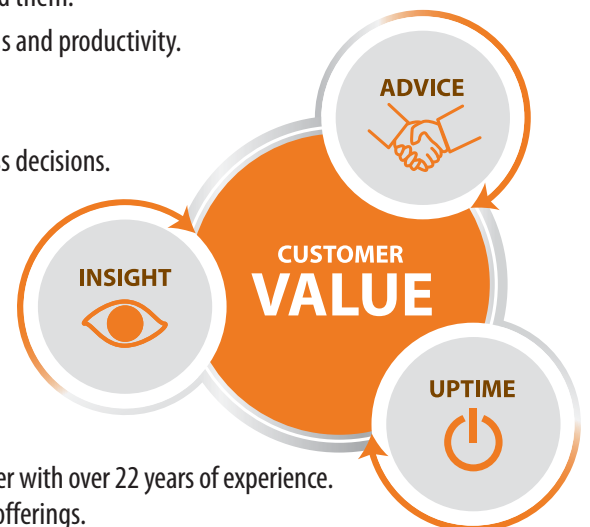

- Repair, support and warranty management services reduce downtime and IT burden.
- New and pre-owned replacement devices available when you need them.
- Power management and print solutions help streamline operations and productivity.

ACTIONABLE DATA FOR INSIGHT INTO OPERATIONS

Ryzex can provide critical data that is vital to making informed business decisions.

- Custom and automated reporting available 24x7 from our portal.
- Fast and simple online repair authorization, tracking and auditing.
- Mobile device management for improved field operation visibility.

Ryzex is a value-added, single-source mobile technology service provider with over 22 years of experience. See reverse side for a more complete list of Ryzex product and service offerings.

ONE STOP SHOP FOR ALL YOUR MOBILE TECHNOLOGY NEEDS

Ryzex helps customers realize maximum lifetime return on mission critical mobile technologies. Corporations often feature a mix of manufacturers, locations, and generations for these crucial solutions. Managing this is complex and Ryzex has a unique level of expertise proven in the field over the last 20 years.

- Our lifecycle management approach stretches the life of a mobile technology solution, helping customers get the most for their money.
- Ryzex has built strong relationships with hardware and software manufacturers over the past 20 years; offering increased choice and buying power.
- With multiple offices in North America and Europe, Ryzex supports customers on a local and a global basis.
