

Meeting Short Term Needs in a Mobile World

Ryzex Mobile Rental Solutions

Ryzex helps you solve your immediate needs for barcode equipment with our quality rental program. We provide the best option at the best price.

A COMPLETE SOLUTION

Ryzex rents a wide range of mobile barcode and peripheral equipment allowing our customers the flexibility to meet:

- Peak season
- Physical inventory
- Cycle counts
- Trade shows
- Special projects
- Transitions

Ryzex Sales Advisors will work with you to fulfill your business needs and requirements with new or refurbished barcode rental equipment. We carry equipment from a wide range of manufacturers:

- Intermec
- Symbol
- HandHeld
- PSC
- Norand
- Opticon
- Many other OEMs

Ryzex rents a full line of barcode equipment including Windows based equipment like Symbol MC9090 and DOS based equipment like the Intermec Trakker (T24xx) series, Symbol PDT68xx series, Symbol WSS10xx series and many other makes and models.

We offer quality, rugged equipment... what you need, when you need it. Whether wireless or batch, handheld or wearable, we can help you get the job done. All our rentals include the necessary accessories for a complete solution. We also offer discounts on longer term rentals.

An optional damage waiver is available to protect you from damage outside normal wear and tear. We also offer advance replacement services to prevent any interruptions.

Our sales advisors are ready and able to help you get the right equipment and accessories to satisfy your business requirements. Quick, hassle-free service and support keeps you up and running.

Visit us today at www.ryzex.com or call to speak with one of our expert sales advisors at 1-800-765-2845 from 6:00am to 5:00 pm U.S. Pacific time.
