

**Breakdowns don't discriminate.** That's why we offer repair and support services for the widest variety of equipment makers and models in the business, as well as sell new products from most manufacturers. We'll keep your barcode, RFID, POS, computer and data collection equipment up and running – *no matter what, no matter who.* Now there's only one name you'll need to remember: Ryzex Repair.

Call Ryzex at 800.326.0201 for *all* your service needs.
