

Why Ryzex Repair?

Ryzex Repair is committed to supporting our customers with quality on-time repair services, competitive prices, and flexible service options. Our staff has over 100 years of experience combined in the data collection, barcode, POS, laser scanning, and other computer equipment business.

Ryzex Repair provides “one-stop shopping” for companies that have equipment from multiple manufacturers. With Ryzex, these companies have a single source for service; eliminating multiple vendors, multiple purchase orders, and multiple invoices.

Companies such as Verizon, Coca Cola, Earthgrains and many others use Ryzex Repair because of our superior service, complete, custom reporting and our ability to provide you with what you need when you need it.

[ISO 9001:2000 registered]

Ryzex Repair provides “one-stop shopping” for companies that have equipment from multiple manufacturers.

READY TO GET STARTED?

[Here's how it works:]

- Simply answer a few questions about your equipment.
- Based on the discussion, you will promptly receive a written service quote.
- Next, send your equipment to Ryzex's nearest service center.
- Your equipment will be repaired, tested, cleaned and returned to you in minimal time and you can keep your data collection running at peak performance.
