

*Stretch your technology dollars with Pre-Owned equipment from Ryzex.*

Many companies looking to introduce or update their mobile technology automatically look at expensive new hardware options and are then put off by the thought of having to find and then justify the need for a large capital outlay. At Ryzex, we are able to offer you a lower cost alternative - Pre-Owned devices.

**PRE-OWNED: A LOWER COST ALTERNATIVE FROM RYZEX**

Each year, Ryzex sells thousands of Pre-Owned hand held devices in its state of the art repair centers. By extending the life of hand held technology, Ryzex can offer you a cheaper yet high quality alternative to new technology. The price may be less but there will be no compromise on quality.
